COMMUNICATION

Sir:

Applicant inadvertently failed to file a PTO-1449 form listing prior art references that were previously cited during the prosecution of the parent application (U.S. Patent Application Serial No. 10/460,825 filed June 12, 2003). A copy of the signed PTO-1449 from the parent is attached. Since the Examiner must consider references cited in the parent application under M.P.E.P. §§ 609 and 2106(b), these references were already considered by the Examiner in this application.

Applicant would like to have these references printed on the cover of this application when it issues.

CONCLUSION

Applicant would like the Examiner to sign off on the prior art references listed on the attached PTO-1449 Form. If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,

Dated: 3/11/05
